

North Shields Polytechnic A.C. Membership Fees 2022/23

This document outlines the revised Membership Fees for NSP, effective from **1st April 2022**. Club membership fees are due by **30th June 2022**.

Affiliation Fees / Northern Athletics

Affiliation is a fixed fee determined by England Athletics and is set at £16. All members (with exceptions to under 11s) will have to pay for this fee to race competitively. Northern Athletics introduced an Affiliation Scheme which requires that all clubs who wish to participate in Northern Athletics events pay a fixed fee of £2. These affiliation fees (£18) will be automatically charged as part of your overall membership unless you choose to opt out before renewing your membership.

Membership Fees – 2022/23

This year NSP has decided to adjust the fees across all members to come in line with other athletic clubs in the Northeast. This is based on coached sessions and facilities available throughout the year. The most noticeable change is the removal of the Family Membership and replacing it with Linked Membership. Linked Membership allows a 20% discount on fees for all those who reside in the same household. As this could be a substantial increase to some families, we have capped the upper limits to support our members.

* If the **Junior athlete** is in school Year 5 at the time of membership renewal, then they will be required to Affiliate to England Athletics & Northern Athletics during the year and will therefore be charged a membership fee of £63.00.

****Linked Membership** – Linked members must be residing at the same address. An affiliation fee of £18 per eligible family member is payable plus club fees of the relevant split outlined above, e.g. a family of 2 adults and 2 children (aged 9 and 12) would pay £54 (3 x £18) affiliation fees, for England Athletics, plus £120 club fees (capped), total membership fee of £174.

*****Lifetime members** are only required to affiliate to England Athletics if they are still competitive. If this is the case, NSP will pay the Affiliation Fees on their behalf otherwise no fees are payable.

******Second Claim athletes** will be affiliated to EA via their First Claim club however if they wish to compete for NSP under the second claim policy then they must register with NSP accordingly. A nominal fee of £25.00 will be charged in this case.
